MANUFACTURED BY
SANEX INC.
2695 SLOUGH STREET, MISSISSAUGA, ONTARIO L4T 1G2

BRANCHES THROUGHOUT NORTH AMERICA

VAMAFOG INSECTICIDE FOGGING SOLUTION is formulated for use in specialized thermal fogging machines.

DIRECTIONS:

A rate of 7-14 L of VAMAFOG per ha. (or 70-125 mL/100 square m) will give control of mosquitoes, gnats and blackflies. For most effective treatment direct fog towards the ground. Fogging should be carried out in the early morning or late evening when there is a little wind and rising air currents are at a minimum.

When using a fogging generator the equipment must be operated and maintained in the manner prescribed in the instructions affixed to it and by the manufacturer's manual.

PRECAUTIONS:

Harmful, if swallowed, inhaled or absorbed through the skin. Wash thoroughly with soap and water after handling and before

eating and smoking. Keep out of reach of children. Keep in original container during storage, destroy empty container. Handle and apply only as recommended and at recommended rates. Do not contaminate feed or foodstuffs. Do not store with feed or foodstuffs. Keep away from open flame. Avoid contamination of ponds, lakes, streams, and other bodies of water which contain fish life or which may be used for irrigation or domestic purposes.

FIRST AID:

If swallowed, induce vomiting immediately and get medical attention.

TOXICOLOGY:

Atropine is antidotal.

NOTICE TO USER:

This control product is to be used only in accordance with the directions on this label. It is an offense under the Pest Control Products Act to use a control product under unsafe conditions.

LIMITATION OF WARRANTY:

Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label. The PMRA does not provide any guarantee or assurance that the information obtained through this service is accurate, current or correct, and is therefore not liable for any loss resulting, directly or indirectly, from reliance upon this service.
