GlideRinse III

GlideRinse III is a multiuse disinfectant, sanitizer, fungicide  
and deodorant which is effective in the presence of organic soil.

GlideRinse III is designed for use in hospitals, schools and other institutions where hard surface disinfection can aid in controlling cross-contamination.

#### DIRECTIONS FOR USE

##### Disinfection

In Hospitals, Nursing Homes and Other Health Care Institutions -Add 8 ml of GlideRinse III per liter of water. In Institutions, Industry and Schools -Add 4 ml GlideRinse III per liter of water.

Apply GlideRinse III to previously cleaned floors, walls and other similar nonporous surfaces with a cloth, mop or mechanical spray device. Thoroughly wet all surfaces and allow to remain wet for 10 minutes.

##### Sanitation

Food Equipment and Other Hard Nonporous Surfaces in Food Contact Locations-Wash and rinse all articles thoroughly, then apply GlideRinse III, 2 ml per liter of water (150 ppm active). Surfaces should remain wet for at least one minute followed by adequate draining and air drying. No potable water rinse is required.

GlideRinse III (2 ml/L of water) may be used to sanitize sink tops, counter tops, refrigerator storage and display equipment, dishes, silverware, glasses, cooking utensils and other similar food processing equipment. Sanitize the above equipment, utensils and surfaces by either immersion, cloth, brush or mechanical spray device. No potable water rinse is required.

FIRST AID: In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse. If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

PRECAUTION: KEEP OUT OF REACH OF CHILDREN

DANGER: Hazards to Humans and Domestic Animals.

Keep out of reach of children. Danger-corrosive to eyes. Causes severe skin damage. Do not get in eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves when handling. Harmful or fatal if swallowed. Do not breathe spray mist. Avoid contamination of food.

NOTICE TO USER: This control product is to be used in accordance with the directions on this label. It is an offense under the Pest Control Products Act to use a control product under unsafe conditions.
