USE DIRECTIONS

CADISAN-10 is a cleaner-disinfectant-sanitizer-deodorizer-fungicide-virucide especially formulated for use in food processing plants, restaurants, dairies and other places where food is handled or prepared. It contains no added perfume or dye. When used according to directions it is effective against Staphylococcus aureus - Salmonella choleraesuis - Pseudomonas aeruginosa - Salmonella typhosa - Escherichia coli - Brevibacterium ammonia genes - Klebsiella pneumoniae and Influenza A2 Vaccinia viruses and pathogenic fungi such as Trichophyton interdigitale.

RECOMMENDED FOR USE on environmental surfaces such as floors, walls, tables, chairs, counters, sink tops, garbage pails, all

food equipments, rest rooms, etc. Very effective for killing odour producing bacteria, molds, mildew and fungi.

DISINFECTION: Use 1 part to 50 parts water. Apply with a cloth or mop. Rinse surfaces subject to direct contact with food thoroughly with potable water before re-use. DO NOT MIX WITH OTHER CLEANERS. Rinse empty container with water before discarding.

SANITIZATION: For sanitization of previously cleaned food equipment or food contact items, use 1 part to 160 parts water. Rinse surfaces subject to direct contact with food thoroughly with potable water before reuse.

#### PRECAUTIONS

KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed. May cause eye damage or skin irritation. Do not get concentrate in eyes or on skin. Avoid contamination of food.

FIRST AID: In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, GET MEDICAL ATTENTION. If swallowed, drink milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. GET MEDICAL ATTENTION.

DISPOSAL: Rinse the emptied container thoroughly and add the rinsings to treatment site.

Follow provincial instructions for any required additional cleaning of the container prior to its disposal or reconditioning.

Dispose of the container in accordance with provincial requirements.

For information on the disposal of unused, unwanted product and the cleanup of spills, contact the regional office of Environment Canada. For small spills. Recover free liquid. Soak up residue with solids absorbent. DO NOT FLUSH INTO SURFACE STREAMS. INFORM ENVIRONMENT CANADA AS IN PARAGRAPH #4.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offense under the Pest Control Products Act to use a control product under unsafe conditions.
