DIRECTION FOR USE:

To be used only in the manufacture of a product which is registered under the Fertilizes Act. Read Technical Bulletin for formulation details.

PRECAUTIONS:

Strictly observe all precautions for handling and using pesticides. Avoid contact with skin, eyes and clothing. May cause severe eye irritation or injury. Wear goggles when handling this product. Do not contaminate food, feed or water supplies. This product may cause skin sensitization reactions in certain individuals.

FIRST AID:

If poisoning is suspected, call a doctor or poison control centre immediately. If on skin, remove contaminated clothing immediately. Wash skin thoroughly with soap and water. If in eyes, immediately flush repeatedly with plenty of clean water or eyewash solution. See a doctor immediately.

If swallowed, give large quantities of water and induce vomiting. Call a doctor or poison control centre. Never give anything by mouth to an unconscious or convulsive person. If inhaled, move to fresh air and rest.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

DISPOSAL:

Canadian formulators using this product should dispose of unwanted material and containers in accordance with municipal or provincial regulations. For additional details and information on clean up of spills, contact the provincial regulatory agency or the Manufacturer.

STORAGE:

Store in original container in a well ventilated, cool, dry and secure area. Ship and store away from food, feed or seed.

NOTICE TO BUYER:

Seller's guarantee shall be limited to the terms set out on the label and subject thereto. The buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

NOTICE TO USER:

This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.
