ANT BAIT

REG. NO. 20235 P.C.P. ACT

GUARANTEE: PROPOXUR 2%

REVOLUTIONARY PACKAGE DESIGN ALLOWS ANTS EASY ACCESS TO DEADLY BAIT.

NET WEIGHT/POIDS NET 2 X 2 g

DIRECTIONS:

Place bait under sinks, behind refrigerators, in non-food cupboards and other areas where ants frequent. Outside, place baits at entry points and on trails and nest areas about 3-4 metres apart. Ants are highly attracted to the container, feed on the bait and die. Peel off backing and use adhesive surface to affix baits in places inaccessible to children and pets. Replace baits when necessary to maintain control.

DISPOSAL:

Discard used containers in garbage.

PRECAUTIONS:

KEEP OUT OF REACH OF CHILDREN. May be harmful if swallowed. Do not store near food or feed. Do not place on or over food preparation surfaces, stored food, utensils or dishes. Do not remove bait from bait stations.

FIRST AID:

If contents are swallowed, give one or two glasses of water and induce vomiting by touching back of throat. Get medical attention.
