See Side Panel for Additional Precautionary Statements.

REGISTRATION NO. 22494 PCP ACT

NET CONTENTS 473 mL

Made by: Virbac (R), Inc.,  
Fort Worth, Texas  
76118 USA

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. FLAMMABLE! Use only in well ventilated space and away from heat and open flames. Harmful if swallowed. Avoid breathing vapors. Wash hands after use. ANY DIRECT EYE EXPOSURE REQUIRES IMMEDIATE WASHING WITH

WATER. Do not spray in eyes, on face or genitals. Discontinue use if dermal or nasal irritation develops. Do not use on nursing females or animals under eight weeks of age. Do not use on sick animals or animals under drug or pesticide treatment. For use on pregnant animals, consult veterinarian. Do not put on finished wood surfaces where spotting, staining or discoloration may be objectionable.

FIRST AID: If swallowed, call a physician. IF IN EYES, FLUSH WITH PLENTY OF WATER AND CALL A PHYSICIAN IF IRRITATION PERSISTS. Wash contaminated skin with soap and water. If inhaled, remove victim to fresh air and call physician if effects occur.

DIRECTIONS FOR USE: TO KILL FLEAS, TICKS AND LICE. TO REPEL GNATS, MOSQUITOES AND FLIES. Rotate nozzle 1/4 turn to spray position and squeeze trigger to initiate a fine mist spray. (Close nozzle after use to avoid loss of product). Spray at a distance of 15 to 30 cm by squeezing trigger repeatedly and rapidly.

FOR DOGS AND CATS: Direct the spray over the animal until the entire coat is slightly damp. On a heavily coated animal, ruffle the coat and spray against the lay of the hair. For best results in controlling ticks, spray directly on the tick. Thoroughly spray interior of kennel or other sleeping quarters. Repeat treatment as necessary.

STORAGE: Store in a closed container away from heat or open flame.

DISPOSAL: Do not reuse empty container. Wrap container and put in garbage collection.
