MISSISSAUGA, ONTARIO M3C 1L9

DIRECTIONS: Shake well before using. Hold can in upright position 25-30 cm from pet and spray entire body beginning at tail and working towards the head. Do not spray face, eyes or genitals. As you spray, fluff the hair so that spray will penetrate to the skin, but spray only until hair is damp - not wet. Spray Ticks directly. Also spray bed and living quarters if needed. Repeat as necessary.

Consult a veterinarian before using on pregnant animals, do NOT use on sick animals, or animals under drug or other pesticide treatment. Do not use on nursing animals or animals under 8

weeks of age. Discontinue use if adverse effects are observed.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Contents under pressure. Do not puncture or incinerate container. Do not place in hot water or near radiators, stoves or other sources of heat or store at temperatures over 50 deg C. Do not spray near open flame or spark or while smoking. Do not spray in eyes, or face, or on genitals of pet. Discontinue use if dermal or nasal irritation develops. Do not use near birds, fish, food or foodstuffs. Avoid inhalation of spray. Avoid skin contact by wearing rubber gloves. Wash hands after use.

DISPOSAL: When container is empty press valve to release all pressure. Dispose of empty container in regular household garbage. Do not re-use container.

FIRST AID: If sprayed in eyes, flush with clean water. If irritation persists, obtain medical attention. If accidentally swallowed, obtain medical attention at once. If on skin, wash thoroughly with soap and water.

OZONE FRIENDLY
NO C.F.C.S.
