PROTECTIVE CLOTHING AND EQUIPMENT:

Handling the concentrate (mixing and loading): Wear long-sleeved shirt, long pants, chemical-resistant gloves, socks and shoes, and protective eye wear (face shield or safety glasses). Rinse gloves before removal. Coveralls or a chemical-resistant apron should also be worn when open pouring from containers greater than 5L.

Handling the dilute spray solution (during application or repairing or cleaning equipment): Wear a long-sleeved shirt, long pants, chemical-resistant gloves, socks and shoes. Rinse gloves before removal. Gloves are not required during application when applicator is in an enclosed tractor or in an enclosed airplane cockpit.

OPERATOR USE PRECAUTIONS:

- Wear freshly laundered clothing and clean protective equipment daily.
- Rinse gloves before removal.
- Wash hands before eating, drinking, using tobacco or using the toilet.
- If herbicide penetrates clothing remove immediately; then wash thoroughly and put on clean clothing. Throw away clothing and other absorbent materials that have been drenched or heavily contaminated with this product's concentrate.
- After using this product, remove clothing and launder separately, and promptly and thoroughly wash hands and exposed skin with soap and water. Follow manufacturer's instructions for cleaning personal protective clothing and equipment. If no such instructions for washables are provided, use detergent and hot water. Keep and wash personal protective equipment separate from household laundry.
- After work, remove all clothing and shower using soap and water.

This product may be applied with ground or aerial spraying equipment. Aerial spraying is specialized, hence qualified technical guidance should be obtained for each job. Employ a competent, reliable operator and become familiar with laws governing the application of herbicides. Do not use aerial sprays in areas where possible drift may injure valuable broadleaf crops.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed or inhaled. Avoid contact with skin, eyes or clothing. Sprays and vapours may injure broadleaf crops such as tobacco, vegetables, fruits and ornamentals. Use only for recommended purposes and at recommended rates. Do not use the same spray equipment for other purposes. Keep in original container during storage. Do not contaminate water supplies, irrigation ditches, ponds lakes or streams.

FIRST AID: If swallowed, give patient one to two glasses of water and **INDUCE VOMITING** by inserting a finger down the throat; repeat until vomit fluid is clear. Take patient to nearest hospital or contact a Poison Control Centre. **In case of skin contact,** remove contaminated clothing and wash skin with soap and water. **If in eyes,** flush with plenty of water for 15 minutes and get medical attention or contact a Poison Control Centre. Take container, label or product name and Pest Control Product Registration Number with you, when seeking medical attention

TOXICOLOGICAL INFORMATION: No specific antidote. Employ supportive care. Treatment should be based on judgement of the physician in response to reactions of the patient.

STORAGE: Do not store at temperatures below - 15° C and mix thoroughly before using.

DISPOSAL:

Do not reuse this container for any purpose. This is a recyclable container, and is to be disposed of at a container collection site. Contact your local distributor/dealer or municipality for the location of the nearest collection site. Before taking the container to the collection site:

1. Triple-or pressure-rinse the empty container. Add the rinsings to the spray mixture in the tank.
2. Make the empty, rinsed container unsuitable for further use.

If there is no container collection site in your area, dispose of the container in accordance with provincial requirements.

For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offense under the Pest Control Products Act to use a control product under unsafe conditions.

NOTICE TO BUYER: Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risk to persons and property arising from the use or handling of this product and accepts the product on that condition.
