PEST CONTROL PRODUCTS ACT

ORBIT CHEMICAL SPECIALTIES LTD.
4500 SHEPPARD AVE., EAST, UNIT 1
SCARBOROUGH, ONTARIO
M1S 3R6

Contains no irritating phenols or other highly toxic chemicals. Ideal for fogging in sick rooms. Reduces the incidence of air-borne bacteria. Destroys smoke odours in the fire-damaged buildings and rooms.

DIRECTIONS: Spray Air Sanitizer high in the air to reduce air-borne bacteria and room odours. On contaminated surfaces, spray Air Sanitizer on soil or grime, wipe away and respray. For Fogging Sick Rooms or Fire-Damaged Rooms: Doors and windows should be closed and all fans shut off. Product should be fogged into the area at the rate of 100 to 200 mL per 100 cubic metres of free space. Rooms should remain closed for 10 to 15 minutes after fogging. Ventilate room for 15 minutes before use.

NOTICE TO USER:

This control product is to be used only in accordance with the directions on this label. It is an offense under the Pest Control Products Act to use a control product under unsafe conditions.

PRECAUTIONS: Keep out of reach of children. Causes eye and skin irritation. Do not get in eyes, on skin or on clothing. Harmful if swallowed. Avoid contamination of food.

FIRST AID: In case of contact immediately flush eyes and skin with plenty of water for at least 15 minutes. If in eyes call a physician. If swallowed drink milk, egg white, gelatin solution or if not available drink large quantities of water. Call a physician or poison control centre immediately.

DELIGHT PLUS D

WARNING: Flammable Liquid. Eye irritant.

PRECAUTIONS: Keep in cool place. Avoid contact with eyes and skin. Wear suitable protective clothing.

FIRST AID: If in contact with eyes, flush with water for 15 minutes. If irritation persists, call a doctor. If in contact with skin, flush with water. Call a doctor if irritation develops. If ingested, do not induce vomiting. Contact physician immediately.
