DIRECTIONS FOR USE

To be used in the repacking of a swimming pool or spa water sanitizer which is registered under the Pest Control Products Act. Consult with Nichimen Canada if additional technical information is required.

NOTICE TO USER:

This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

CAUTION:

This material is corrosive and a strong oxidizing agent. Contact with organic matter may cause fire or explosion. Avoid contact with nitrogen containing compounds, such as ammonia, urea, amines, etc. Do not breathe dust or fumes.

Keep out of reach of children; dangerous gas formed when mixed with acid; do not mix with any other chemical; strong oxidizing agent; may cause fire or explosion if contaminated; avoid contact with skin and eyes; harmful if swallowed; keep container closed and store in a cool, dry, location; rinse container thoroughly before discarding, do not reuse.

FIRST AID INSTRUCTIONS:

In case of contact in eyes or on skin flush thoroughly with water for 15 minutes. For eye contact get medical attention. If swallowed drink one glass of milk or water. Call a physician IMMEDIATELY.

TOXICOLOGICAL INFORMATION:

For physical contact or ingestion follow FIRST AID INSTRUCTIONS.

DISPOSAL:

Contain spilled material. Do not allow oxidizable or other incompatible materials to come into contact with spilled material.

1. Rinse the emptied container thoroughly and add the rinsings to treatment site.
2. Follow provincial instructions for any required additional cleaning of the container prior to its disposal or reconditioning.
3. Dispose of the container in accordance with provincial requirements.
4. For information on the disposal of unused, unwanted product and the cleanup of spills, contact the regional office of Environment Canada.
5. For small spills. Recover free liquid. Soak up residue with solids absorbent. DO NOT FLUSH INTO SURFACE STREAMS. INFORM ENVIRONMENT CANADA AS IN #4.

STORAGE:

Store in dry, cool area (below 25'C).
