PEST CONTROL PRODUCTS ACT

NET WEIGHT: Kg

PA-7 LAB. INC.
7300 ST-JACQUES OUEST
MONTREAL, QUEBEC H4B 1W1

USE:

For control of bacterial and/or fungal slime in pulp and paper mills.

FEEDING:

CHIMTOX 230 may be drip fed continuously from the drum or fed by suitable chemical pumps such as adjustable proportioning, variable speed, positive displacement or reciprocating types. This product should be fed as early as possible in the system at such points including the hydropulper, machine chest or broke system.

SYSTEM:

Severely fouled systems should be cleaned prior to treatment.
Feed ahead of contaminated area.

Dosage will vary from 0.05 to 0.5 kg (0.042 to 0.42 litres) of CHIMTOX 230 per tonne of finished paper, depending on the type of stock, complexity of the system, quality of raw water and type and degree of contamination.

PRECAUTIONS:

Keep out of reach of children. HARMFUL or FATAL if swallowed, inhaled or absorbed through the skin.

DISPOSAL:

1. Rinse the emptied container thoroughly and add the rinsings to treatment site.
2. Follow provincial instructions for any required additional cleaning of the container prior to its disposal or reconditioning.
3. Dispose of the container in accordance with provincial requirements.
4. For information on the disposal of unused, unwanted product and the cleanup of spills contact the regional office of Conservation and Protection Service, Environment Canada.
5. For small spills. Recover free liquid. Soak up residue with solids absorbent. DO NOT FLUSH INTO SURFACE STREAMS, INFORM ENVIRONMENT CANADA AS IN #4.

HANDLING:

Wear rubber gloves, goggles or face shield when handling. Keep away from open flame. Keep container closed when not in use. Wash thoroughly after handling.

NOTE: This product is not for use in the manufacture of paper or paperboard that will be in direct contact with food.

FIRST AID:

In case of eye contact, flush eyes immediately with plenty of water for at least 15 minutes and get medical attention. In case of skin contact, wash with soap and plenty of water. Wash contaminated clothing before re-use. Get medical attention if irritation persists. If swallowed, call a PHYSICIAN. Never give anything by mouth to an unconscious person.

NOTICE:

"Sellers guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition."

NOTICE TO USER:

This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label.
