REGISTRATION NO. 21564 P.C.P. ACT

NET CONTENTS: _____ grams

CAUTION
FLAMMABLE

CCL INDUSTRIES INC.
26 Waterman Avenue
Toronto, Ontario
M4B 1Y5

DIRECTIONS:

Shake well before using. Hold container in upright position 25
to 30 cm from pet and spray entire body beginning at tail and
working towards the head. Do not spray face, eyes or scrotum.
As you spray, fluff the hair so that spray will penetrate to the
skin, but spray only until hair is damp - not wet. Spray Ticks
directly. Also spray bed and living quarters if needed. Repeat

as necessary. Do not use on nursing puppies or kittens under 8 weeks of age. Consult veterinarian before using on pregnant animals. Do not use on sick animals under drug or other pesticide treatment.

PRECAUTIONS:

KEEP OUT OF REACH OF CHILDREN. Discontinue use if dermal or nasal irritation develops. Do not use near birds, fish, food or foodstuffs. Avoid inhalation of spray. Wash hands after use. Dispose of empty container in regular household garbage.

FIRST AID:

If sprayed in eyes, flush with clean water. If irritation persists, obtain medical attention. If accidentally swallowed, obtain medical attention at once. Contains carbaryl, a cholinesterase inhibitor. Atropine is antidotal.
