CAUTION

DANGER - CORROSIVE TO EYES AND SKIN

Do not get in eyes, on skin, or on clothing. Particular care should be taken in handling the concentrate, including proper shielding of eyes to prevent splashing. Use gloves for manual cleaning operations. Rinse empty container thoroughly with water and destroy or send to drum reconditioner. Not for use or storage in or around the home environment. Rinse with water, anything that will come in contact with a baby's mouth. Do not use on surfaces that will come in prolonged contact with the skin. May be fatal or harmful if swallowed.

PRECAUTIONS:

Do not use, pour, spill or store near heat or open flame. If frozen, thaw and mix to make usable.

FIRST AID:

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes call a physician. Remove and wash contaminated clothing before reuse. If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately. Never administer anything by mouth to an unconscious person.

NOTICE TO USER:

This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

KEEP OUT OF REACH OF CHILDREN.
