G.H.WOOD, DIVISION OF ECOLAB LTD.  
5105 TOMKEN ROAD,  
MISSISSAUGA, ONTARIO  
L4W 2X5

DIRECTIONS FOR USE: For best results, articles should be cleaned, brushed and aired before treatment or storage.

IN CLOSETS AND VAULTS: Sprinkle the crystals on the top shelf of closet or storage vault. Use 150 g of crystals for 1 cu. m of storage. Seal all cracks and crevices around doors and baseboards etc. to confine the vapours. Keep sealed for at least four days. Does not give protection in closets in daily use.

IN TRUNKS AND CHESTS: Sprinkle in folds and pockets of garments, with plenty on top. Use 150 g of crystals for 1 cu. m of storage for small trunks. Seal joints or holes tightly to prevent loss of vapours and entry of insects.

Treatment leaves no residual protection once vapours are lost.

PRECAUTIONS:

1. KEEP OUT OF REACH OF CHILDREN!
2. May be harmful if swallowed!

FIRST AID INSTRUCTIONS:

1. If swallowed, give water, induce vomiting. Get medical attention immediately!

2. In case of eye contamination, rinse thoroughly, using running water!
