CALGARY, ALBERTA T2A 0W4

DIRECTIONS FOR USE:

AGRI-DORMANT EMULSIBLE SPRAY OIL is an emulsifiable type of mineral oil for use in the control of insect pests attacking apples, cherries, pears, peaches and plums.

CROP	CONTROL	TIMING
Apples, Pears Peaches, Plums Cherries	European Red Mites Pear, Psylla, Scale Leaf Roller	Dormant
Mix 30 - 60 L of Spray Oil to 1000 L of water		
NOTE: Water temperature must be above 4'C		

FOR EFFECTIVE USE only apply under proper conditions. Avoid spraying during or just prior to freezing weather, rain or other unsuitable weather conditions. Plants should be sprayed only when in a healthy condition. Use efficient spraying equipment and avoid over spraying.

For specific instructions as to the use of this agri-dormant spray oil, consult your local agricultural authorities.

MIXING INSTRUCTIONS

The tank must be clean and equipped with agitation equipment. To mix, add water above the agitator and with agitator in motion, blend in the required amount of AGRI-DORMANT EMULSIBLE SPRAY OIL. The mixture should turn white which indicates good emulsification. Do not stop agitation until the spray tank has been emptied completely.

DO NOT USE THIS MATERIAL IF IT DOES NOT EMULSIFY

NOTICE TO BUYER

Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

NOTICE TO USER

This control product is to be used only in accordance with the direction on this label. It is an offense under the Pest Control Products Act to use a control product under unsafe conditions.

USE WITH CAUTION

1. KEEP OUT OF REACH OF CHILDREN. DO NOT TAKE INTERNALLY
2. Keep in original container during storage.
3. Handle with caution and apply only as recommended and at recommended rates.
4. Do not apply or allow spray to drift to areas occupied by unprotected humans or beneficial animals.
5. Do not contaminate feed or foodstuffs. Do not store with feed or foodstuffs
6. Do not contaminate streams, lakes, ponds, irrigation water, or water used for livestock or domestic purposes.

7. This is a mineral oil product. Keep away from fire, open flame, lighted electric bulbs and other sources of heat.

FIRST AID

This product contains petroleum distillate. If swallowed, do not induce vomiting. If patient is unconscious, give the patient plenty of air. Obtain medical attention immediately.

SKIN CONTACT: If spilled on the skin, remove all contaminated clothing at once. Thoroughly wash skin with soap and water. Contact physician. Wash contaminated clothing before re-use.

FOR EYES: If this material gets into the eyes flush immediately with running water for at least 15 minutes. Contact physician.

DISPOSAL

1. Rinse the emptied container thoroughly and add the rinsings to the spray mixture in the tank.
2. Follow provincial instructions for any required additional cleaning of the container prior to its disposal.
3. Make the empty container unsuitable for further use.
4. Dispose of the container in accordance with provincial requirements.
5. For information on the disposal of unused, unwanted product and the cleanup of spills, contact the regional office of Conservation and Protection Environment Canada.

KEEP IN ORIGINAL CONTAINER DURING STORAGE
