FOR HOSPITAL, INDUSTRIAL AND FOOD-PROCESSING INDUSTRY USE:

Description: This is a fine combination detergent, disinfectant, deodorant, and fungicide designed for institutional use in facilities such as in hospitals, nursing homes, schools and food processing plants where reduction of the hazard of cross-contamination by environmental surfaces is of vital importance. Pleasant to use on all walls, floors and non-food contact surfaces. Leaves no scum or film. Easy rinsing.

Directions: For General Cleaning and Disinfecting of hard, non-porous surfaces: Use 2 parts General and Restroom Disinfectant Cleaner to 128 parts water. Remove gross filth and heavy soil in a pre-cleaning step before disinfection. Apply with a mop, cloth or sponge as to wet thoroughly. For disinfecting allow a minimum contact time of 10 minutes. When disinfecting surfaces coming in direct contact with food, rinse thoroughly with potable water.

For Fungicidal Use: Use 1 part General and Restroom Disinfectant Cleaner to 64 parts water. This product will pass the AOAC Fungicidal Test at the recommended use dilution.

Efficacy: At 1 part General and Restroom Disinfectant Cleaner to 64 parts water, this product exhibits effective disinfectant activity against: *Pseudomonas aeruginosa*, *Escherichia coli*, *Salmonella choleraesuis*, *Staphylococcus aureus*, and *Trichophyton interdigitale* (Athlete's Foot Fungus) when used as directed.

Virucidal activity: When used on environmental hard surfaces at 1 part per 64 parts water, General and Restroom Disinfectant Cleaner exhibits effective virucidal activity against Influenza A Asian, Herpes simplex, Adenovirus type 2 and Vaccinia virus on hard, non-porous environmental inanimate surfaces.

PRECAUTION: Keep out of reach of children. Causes eye and skin damage. Do not get in eyes, on skin or on clothing. Harmful if swallowed. Wear glasses or face shield and rubber gloves when handling. Avoid contamination of food. Do not store in food processing or food storage areas.

FIRST AID INSTRUCTIONS: In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, contact a physician. Remove and wash all contaminated clothing before re-use. If swallowed, drink milk, egg whites, gelatin solution or if none of these are available, drink large quantities of water. Call a physician or poison control center immediately.

NOTICE TO USER - This control product is to be used only in

accordance with the directions on this label. It is an offense under the Pest Control Products Act to use a control product under unsafe conditions.

Toxicological Information: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

Disposal:

1. Rinse the emptied container thoroughly and add the rinsings to treated site.
2. Follow provincial instructions for any required additional cleaning of the container prior to its disposal or reconditioning.
3. Dispose of the container in accordance with provincial requirements.
4. For information on the disposal of unused, unwanted product and the clean up of spills, contact the provincial Regulatory Agency or the manufacturer.
5. For small spills, recover free liquid. Soak up residue with solids absorbent. DO NOT FLUSH INTO SURFACE STREAMS.
